Personal Details

- Date of Birth : 12/08/2003
- Marital Status : Single
- Nationality : South African
- Gender : Male
- Driving Licence : Code 10

Objective

As a third-year student pursuing a degree in Information and Communication Technology (ICT) with a concentration in App Development at the University of Mpumalanga, I am eager to apply my technical, analytical, and problem-solving skills in a professional setting. I am seeking the position of Examination Assistant to contribute efficiently to the administration and management of examination processes. My academic background has equipped me with a robust understanding of IT systems, data handling, and software development, which I believe will be advantageous for ensuring the smooth and accurate execution of examination tasks. Through this role, I aim to gain valuable experience in a structured environment while supporting the institution in maintaining its high standards of integrity and efficiency in examination operations.

Education

- **Portia Shabangu Secondary School** 2021
Matric
12
- **University of Mpumalanga** 2022 - present year
Diploma in ICT App
Third year

Achievements & Awards

- Tut Hackathon(MAISH)
- National Senior Certificate

Experience

- **University of Mpumalanga** 01/03/2023 - 30/11/2023
Student Mentor
Tutoring an Introduction to Agronomy and Managing irrigation systems modules. Conducting practical sessions and mark scripts. Refer student in need of academic support to relevant units. Organiser skills and information workshops and seminars for students. Identify students with academic challenges and offer academic support. Encourage students to attend classes and practical sessions.
- **Eskom EXPO for young scientist** 4 August 2023 - 19 August 2023
Judging projects at regional rounds at Ehlanzeni District and Lydenberg
I was responsible for evaluating various projects in the field on natural sciences, environment sciences, agriculture and social sciences. Providing constructive feedback to the participants while engaging in a question and answer session. I also made informed decisions regarding winners in various categories and projects, and have ensured that the projects adhered to ethical standards by assessing whether the projects comply with safety protocols and ethical guidelines. Thus maintaining the integrity of the ESKOM EXPO for Young Scientist Regional rounds while providing valuable guidance and encouragement to aspiring young scientists.
